

Room Aa January 2026 Newsletter

Dear Families,

Welcome to 2026! We are excited to begin a whole new year! We hope your holidays were filled with joy and we wish you health and prosperity in 2026. Our Holiday songs were a huge success, and the children sang their little hearts out. We also had the pleasure of learning how each of our classmates celebrates the holidays. We have many indoor recess activities planned but hope to go out when the weather permits.

Here is a recap from December:

Art: Each child has traced and colored the letter of the week while also creating crafts based on the letters. We have made different fun 5 Senses, Disney, Music and Holiday crafts.

Language Arts: We continue to master our alphabet by finding the letter of the week and pointing them out in our books. We also recite the letter and create the sound that the letter makes. Last month, we learned to recognize, trace, and write the letters Kk, Ll, and Mm. We use white boards to practice writing our names, letters, and numbers each day. These activities help enhance our writing skills as well as building our fine motor skills.

Math/Science/Social Science: We continue to work on concepts such as grouping, matching, sorting, counting, tracing, and writing numbers. Last month, we introduced the numbers 11, 12, and 13. In Science, we learned about our 5 senses and why they are important and even created slime with Ms. Sami.

Motor Skills: We continue to enhance our fine motor skills and hand-eye coordination through cutting projects, as well as tracing and writing our worksheets, painting, and drawing projects.

This month we will focus on:

December 29th – January 2th Theme: New Years, Letter Review: Hh - Mm, and Numbers: 8 - 13.

January 5th – 9th Theme: Nursery Rhymes, Letter: Nn, and Number: 14.

January 12th – 16th Theme: Ocean, Letter: Oo, and Number: 15.

January 20th – 23rd Theme: Polar Animals, Letter: Pp, and Number: 16.

Happy New Year From Room Aa Teachers!
