

Room Kk End Of School Year News 2026

Dear Parents,

We enjoyed watching your children grow during this school year. It was a pleasure teaching them and having them in our classroom. We wish you and your children good luck in the future years ahead, we are so proud of them and we know they are going to do wonderful things.

During the remainder of the school year, the children will learn the rest of the letters of our alphabet. The children will continue to enjoy fun activities that involve learning the letter sounds and letter shapes such as bringing in mystery bags. They have really been enjoying identifying things in the classroom that begin with the letter we are working on. The children are also all mastering the sounds of each letter and are beginning to sound out simple sight words.

In math, the children did a great job learning their colors, shapes and patterns. They also did a fantastic job learning how to count money to figure out how much money they have altogether. They will learn simple addition and how to tell time on the hour and half hour during the remainder of the school year. They will count objects and pictures to help them find the sum. They will use clocks to help them tell time.

We had a lot of fun learning about different types of habitats. We enjoyed discovering which animals live in the water and on land. We will finish the school year learning about dinosaurs. We will learn which dinosaurs were herbivores, carnivores and omnivores.

The children had a blast visiting some of the famous landmarks around the world. During the remainder of the school year, the children will compare the past versus the present. Some of the ideas they will compare include communication in the past versus communication in the present, how people dressed and prepared food in the past versus how people dress and prepare food in the present, and what the music was like in the past versus what the music is like in the present.

The children have been having fun using different art supplies to create different things with Ms. Melissa. We enjoyed watching the children's artistic skills grow!

A few reminders:

- We will be closed Monday, May 25, 2026 for Memorial Day.
- We will have our end of the year celebration on Tuesday, May 26th at 10:30 am
- Our last day together as a class will be Thursday, June 4, 2026. Our annual block party will be Friday, June 5, 2026. Hope to see everyone there! Please note all children need to be accompanied by an adult at the block party and will be required to wear socks in the bounce house.

Thank you for an amazing school year.
