

Room Kk End Of School Year News 2025

Dear Parents,

We enjoyed watching your children grow during this school year. It was a pleasure teaching them and having them in our classroom. We wish you and your children good luck in the future years ahead.

During the remainder of the school year, the children will learn the rest of the letters of our alphabet. They continue to enjoy fun activities that involve learning the letter sounds and letter shapes such as bringing in mystery bags. We will also continue to encourage reading for those that are currently reading and reading readiness for those that are still working hard on mastering reading.

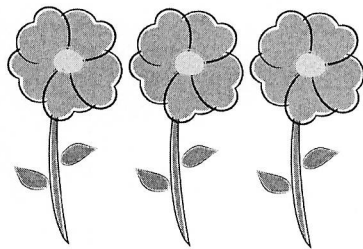

In math, the children did a great job learning their numbers. They will learn simple addition during the remainder of the school year. They will count objects and pictures to help them find the sum.

We had a lot of fun learning about different types of habitats. We enjoyed discovering which animals live in the water and on land. We will finish the school year learning about dinosaurs. We will learn which dinosaurs were herbivores, carnivores and omnivores.

The children have been having fun using different art supplies to create different things with Ms. Melissa and Mr. Jacob. We enjoyed watching the children's artistic skills grow!

A few reminders:

- Please have your child write with a pencil when completing homework and print his/her name on everything.
- We hope to see everyone at our fundraiser Saturday, May 3, 2025 at Coach's.
- We will be closed Monday, May 26, 2025 for Memorial Day.
- We will have our end of the year celebration on June 2nd at 10:30 am
- Our last day together as a class will be Thursday, June 12, 2025.
- Our block party will be Friday, June 13, 2025. Hope to see everyone there as well!
