

Room Kk March Newsletter 2025

Dear Parents,

Last month, we all had a blast celebrating our 100th Day of School and Valentine's Day. Everyone enjoyed participating in the planned activities and having McDonald's for lunch. This month, everyone is starting to get excited for our St. Patrick's Day celebration. We are asking all families to make a leprechaun trap at home and bring it in no later than Friday, March 14<sup>th</sup>. Hopefully, we'll be able to trap the leprechaun before he plays tricks on us.

We have attached some pictures of leprechaun traps we have seen in the past. Have fun.

During the month of March, we will continue our Phonics and Reading and Language Arts unit with the letters Ee, Hh, Uu, and Bb. We will also continue fun activities such as mystery bags and practicing tracing and writing our letters. We have some children reading little readers every night. If you are interested in a nightly little reader, please let us know.

In February, the children did a great job learning and recognizing numbers 17-20. This month, we will review 16-20 and 1-20. We will also learn our shapes and colors.

We loved learning about magnets in February. We had a blast discovering which objects do and do not stick to magnets. This month, we will learn about different kinds of animals. We will learn about amphibians, reptiles and mammals.

The children have been enjoying using different art supplies to create different things with Ms. Melissa and Mr. Jacob. We love seeing all the creative work they have done!

A few reminders:

- Please have your child write his/her name on all homework assignments.
- Our St. Patrick's Day party will be Monday, March 17th. Please bring in your leprechaun trap at this time. Hopefully, we'll catch that leprechaun!
- Our spring break will be Monday, March 24-Friday, March 28. There will be no new curriculum during this time.

Happy St. Patrick's Day!  
Room Kk Teachers
