

March News From Room Cc

We had a very busy February! Our Valentine's party was fun, and the kids enjoyed passing out cards and little toys to their friends!

During the month of March we will be talking about rabbits, fish, and penguins. Some things we will learn about regarding these animals include: what they look like, where they live, what they eat and more.

We will also dive into St. Patrick's Day using books, music, and different activities.

We have some great books in store for this month! We can't wait to read them to the children. *We will be reading Knuffle Bunny, Pat The Bunny, Rainbow Fish, One Fish, Two Fish, Red Fish, Blue Fish, and The Leprechaun's Gold.* The children love to listen to our stories!

As a reminder, if you have not already brought in a binder for portfolio projects, please do so. A $\frac{1}{2}$ inch binder would be perfect.

Thank you,
