

# Kindergarten and Pre-Kindergarten September Newsletter

Dear Parents,

Welcome to the 2023-2024 school year! We are very excited to be working with you and your children this year. We have many fun-filled and enriching activities planned each day. Our days will be packed with a curriculum including Literacy, Daily 5 Reading Program, Math, Daily 3 Math Program, Science, Social Studies, Spanish, and Art. The daily schedule will be group based and teachers will work with children in small groups each day. Outdoor time is also scheduled into the daily routine weather permitting.

Keep an eye out for the “Week in Review” at the end of each week, we will send a copy on Himama every Friday. It will inform you of the coming week’s curriculum and special events.

Finally, we will send home an “All About Me” poster to each child. Each week, one child will be able to have the opportunity to share their favorite book, toys, and songs with the class. They will also have a chance to share their poster and pictures of family and friends. We will make each “All About Me” student a little helper during their special week.

If you have any questions, please let us know if you have any questions.

**We are looking forward to a great year!**
