

Room Kk November Newsletter 2023

Dear Parents,

We enjoyed participating in all the activities during our Halloween party. Thank you to all the parents who volunteered to help make our party successful. It was a lot of fun seeing everyone dressed up in their costumes.

Our daily schedule breaks our classroom into curriculum groups. We have pre-k groups and a jr.kindergarten/kindergarten groups. We teach two separate but similar curriculums that are age appropriate for each group. Our day is very routine and structured to ensure that each group of children is getting the best education possible. We have been splitting the classroom each day in order to give both groups of children the very best of our curriculum.

The children have been doing a fantastic job with our Phonics reading and language arts unit. They enjoy fun activities that involve writing in our 100th Day journals, practicing tracing and writing our letters and mystery bags. This month, we will be working on letters Aa, Dd and Ss.

We also started simple addition and learned to write and recognize numbers 4-7. This month, we will learn simple addition using our fingers and other manipulatives. We will also learn to write and recognize numbers 8-10.

We had a blast learning about outer space in science. We learned about our moon and the solar system through the pretend outer space field trip we took. This month, we will learn about magnetism. We will learn what sticks and what does not stick to a magnet. We will also learn about the poles of a magnet.

It's been a blast learning about our classroom and our classroom rules in social studies. This month, we will learn about Thanksgiving and all the things we have to be thankful for.

The children have been having fun using different art supplies to create different things with Ms. Melissa and Mr. Jacob. We love seeing all the creative work they have done!

A few reminders:

- Please have your child write his/her name on all homework assignments.
- Our next review day will be Friday, November 10th. No new curriculum will be introduced.
- We will be closed Thursday, November 23rd and Friday, November 24th for Thanksgiving.

Happy Thanksgiving!!!!
Room Kk Teachers.
