

WELCOME TO SUMMER CAMP!

Dear Parents and Guardians,

Welcome to summer camp 2026! We are transitioning into our first week of summer camp. The weather is warming up and we are ready to begin having some summer fun! We are excited to make many new friends and have a wonderful summer.

ITEMS THAT SHOULD BE BROUGHT

- ★ Please label ALL items with your child's name
- ★ Extra clothes: shirt, pants or shorts, underwear and socks. Please be sure to bring 2 extra pairs of everything.
- ★ Sunscreen, if needed (lotion only). Please apply sunscreen prior to arrival in the morning.
- ★ Proper safety shoes (gym shoes) need to be worn for outdoor play at all times, all outside shoes should be gym shoes. This prevents any unnecessary accidents. Sandals, Crocs, and any type of open or backless shoes are not allowed to be worn outside (due to safety policy). Please be sure to provide a clean pair of inside shoes to keep at school. Parents should change all children into their inside shoes before they enter the classroom.
- ★ Please note that DCFS will be requiring that all student three years of age and older, have proof of hearing and vision screening, as well as a copy of their birth certificate. A doctor's note will be needed stating that the child received a vision and hearing screening, or that there are no concerns with hearing and vision at this time.

ITEMS THAT SHOULD NOT BE BROUGHT TO CAMP

- ★ Breakfast, snacks, and lunch will be provided for your child. All other food must be left at home. This prevents problems with other children and any possible food allergies. If your child has any allergies/dietary restrictions, please inform the office.
- ★ When your child is celebrating a special day, please make sure all items are non-edible. Classroom teachers are always happy to provide ideas for celebrations.
- ★ As a safety precaution, all jewelry (necklaces, earrings, rings, etc.) must be left at home. In the Toddler and Intro to Preschool classroom, please no barrettes in your child's hair, they pose as a choking hazard.
- ★ Backpacks should not have keychains or toys hanging on them. This could also pose as a choking hazard for the younger children walking through the hallways.

OTHER IMPORTANT INFORMATION

- ★ Tuition payments are due every Friday. Please see our handbook for our tuition policies.
- ★ To keep you informed, a calendar, consisting of daily themes and activities will be sent home.
- ★ As stated in our handbook, Monday through Friday, the children should be in camp by 9:00 am. This allows us to appropriately prepare for the daily activities.
- ★ Sunscreen and bug spray should be applied at home each morning before your child arrives to camp. If your child requires more sun block for afternoon play, please let us know.

THANK YOU!!!
