The "Extra Day Program" is designed to meet the needs of families with school age children when your elementary school is not in session.

We have a high demand from alumni and siblings for specific dates and our space is limited. Therefore, we ask that you put your request in writing and submit payment in advance. We have split the year in half and into two payments. Payment secures the requested date(s) for your child. Payment for extra days is non-refundable. However, we understand that extra days are scheduled in advance and circumstances may change; we will allow for one exception per session to move an extra day around or change it. We will provide snacks and lunch for your child while in our care.

The following are dates that our school does not accept requests for the "Extra Day Program":

- *Labor Day – closed
- *Thanksgiving and the day after - closed
- *Christmas Eve/Day – closed
- *New Year's Eve/Day - closed
- *MLK Day -closed/ Staff Training
- *Good Friday - closed
- *Memorial Day - closed
- *Independence Day - closed
- *Annual June Block Party – children must be accompanied by a parent to attend

Please note: If a scheduled closing day falls on a Saturday or Sunday then our program observes a day off the following Monday.
