

March Office Newsletter 2025

Dear Parents and Families,

- ✿ Our Open House/Registration was a huge success! Thanks to all of you for referring our school to your family and friends. Your recommendation is our biggest compliment! There are a select few spots available for the upcoming Summer and Fall, if you or anyone you know are interested, please contact the office.
- ✿ Thank you to all families that continue to donate disinfecting wipes, spray, and tissue. We cannot thank you enough for your thoughtfulness and generosity!
- ✿ Don't forget to check out the Scholastic website for new and exciting books. Use code: HHZ9K, this will give AALE bonus points to use toward materials for the classroom.
- ✿ We wanted to remind all families about our outdoor policy in the winter. We strive to get outside as much as possible, but the winter weather sometimes makes that a little difficult. The temperature and windchill (real feel) needs to be 32 degrees and above in order of us to go outdoors. Please be sure to send children with winter coats, hats, gloves, and boots each day in the event that we are able to sneak out for a little bit.
- ✿ Please continue to be mindful of our front door policy of each family needing to be buzzed in separately. We strive to make safety our number one priority and this helps the staff to identify each person entering the building. In addition, please be sure that you are parking in the correct direction in front of the school. Please do not block driveways or alleys and please do not park in the lot across the street.
- ✿ Please be sure that tuition checks are submitted every Friday.
- ✿ Please remember the importance of no outside food being brought into the building (that includes snacks left in backpacks). We have many children with severe food allergies.
- ✿

Happy St. Patrick's Day!
