

Room Kk April Newsletter 2026

Dear Parents,

Everyone had fun during our St. Patrick's Day celebration. Our party was filled with a lot of fun activities. Unfortunately, we were unable to catch the leprechaun. Maybe next time!

During the month of April, we will continue our Reading and Language Arts unit with the next letters in the series. We will also continue fun activities such as mystery bags and practicing tracing and writing our letters. The children have been starting to sound out some simple 3 – letter words. If you have been sent home with a little reader and worksheet, please be sure to return it so that we can continue with the next book in the series.

In March, the children did a great job learning their shapes, colors and coins. This month, we will learn color, shape, and picture patterns. We will also continue to learn about money. We will learn how to count all the coins to figure out how much money we have altogether.

We loved learning about animals in March. We enjoyed discovering amphibians, reptiles and mammals. This month, we will learn about different kinds of habitats. We will learn which animals live in water and which animals live on land.

The children had so much fun learning about famous landmarks in the United States! In April, we will begin exploring landmarks from around the world. Some of these landmarks include: The Eiffel Tower, the Egyptian pyramids, and the Leaning Tower of Pisa. Through hands-on activities and creative art projects, the children will discover these amazing places while using their imagination and creativity.

The children have been enjoying using different art supplies to create different things with Ms. Melissa. We love seeing all the creative work they have done!

A few reminders:

- Please have your child write his/her name on all homework assignments.
- We will be closed Friday, April 3, 2026 for Good Friday.
- Picture days are April 21st and 22nd.

Happy Spring!
