Welcome to the start of our 2023-2024 school year! We couldn't be more excited! We have tons of fun-filled activities planned for your children. Our days will be packed with learning, as well as art projects, stories, science and more!

A big part of our day will also involve free play, dancing, singing and socializing with our new friends. Of course, outdoor time will be a part of our daily routine, if the weather permits.

This month, our themes will include the colors: red, blue, yellow, and green, as well as the numbers 1-5, and some beginning letter sounds. Story time will be an important part of the day.

This month we plan to read: "Llama Llama Red Pajama", "Ten Little Lady Bugs", "The Lion and the Mouse", and "Blue Hat, Green Hat".

Please bring diapers, wipes, extra clothes and a small blanket for your child at nap time also please bring in a 4x6 family photo for us to keep and post on our Family Board in the classroom. The children love to talk about their families with their new friends!

We Look Forward To A Wonderful Year!
