- * We still have a few spots available in our Toddlers/Intro to Preschool class for the 2024 Summer and 2024/2025 School Year. If you know anyone that may be interested, please have them contact the office. Our families and Alumni are our best advertisement.
- * Once again, we are reminding all families about the importance of having each individual family being buzzed in separately at drop off and pick up. There are many different circumstances that require administration to be aware of each individual family that enters the building. First and foremost is the safety of the children in our care. In addition, there are solicitors, inspectors, and special pick-ups that we need to address. We know that each family is being kind to the person standing behind them and wants to be courteous by letting them in the door. We are asking each parent to please wait on the sidewalk and not on the stoop while the person in front of you is waiting to enter the building.

Thank you!
Happy Spring!!
