

Parking Notice

As a courtesy to families and the surrounding neighbors, All Aboard...Learning Express, Inc. provides a loading zone, which goes all the way around the school building from Rosemont onto Pulaski. When dropping off or picking up your child at school, please be considerate of the limited drop off parking space in the front of our school. The parking area located directly in front of our school is provided for immediate drop off and pick up parking. Please be aware of other families needing to depart quickly. Also, note that double parking and parking the wrong direction causes a safety hazard. In addition, be courteous to our neighbors and do not block alleys or driveways. We have neighbors that have new drivers that are attempting to pull in and out of their driveways.

**Thank you,
All Aboard...Learning Express, Inc.**
