

Room April Newsletter

Can you believe we are in the month of April already? Happy Spring to all!

March Recap:

Art: Each child has traced and colored the letter of the week while also creating a craft based on the letter and theme of the week.

Language Arts: We continue to master our alphabet by finding the letter of the week and pointing it out in our books. We also recite the letter and create the sound that the letter makes. Last month, we learned to recognize, trace, and write the letters Oo, Pp, Qq, and Rr. These activities help enhance our writing skills as well as build our fine motor skills.

Math/Science/Social Science: We continue to work on concepts such as grouping, matching, sorting, measuring, counting, tracing, and writing numbers. Last month we learned the numbers 8 and 9. In Science, we learned about polar and ocean animals and watched a YouTube video on how they live.
