

Room October Newsletter

Dear Parents and Families,

Hurray, we have made it through our first month of school! Room Bb children are doing a fantastic job learning the names of their friends and adjusting to the classroom environment. We had so much fun learning about each other, our 5 senses, the different types of weather and colors. Here is a recap for the month:

Art: Each child has learned about the colors red, orange, yellow, green, and blue. We have made leaf rubbings, tissue paper collages, color themed projects and so many more awesome art projects.

Language Arts: Students learn our morning song "Hello Everybody, How Do You Do?" and read stories based on our theme of the week like *THE CRAYON BOOK OF NUMBERS* by: Drew Daywal, *My 5 Senses* by: Ailiki, *What Will The Weather Be?* by: Lynda Dewitt, *Hedgehugs Autumn Hide-and Squeak* by Steve Wilson, and *The Color Monster* (a story about emotions) by: Anna Llenas.

Math/Science: We completed several hands-on activities during our introduction to colors. We began introducing counting through our daily calendar lesson. We learned about our 5 senses, the different types of weather, Fall season, and started learning about shapes.

Motor skills: We are enhancing our fine motor skills and hand-eye coordination through painting, cutting, and drawing projects. We also will start learning how to correctly hold a pair of scissors.

During group activities: We learned a lot about ourselves, our friends, the weather, the many different colors around the classroom, and so much more.

This month we will focus on:

September 28th – October 2nd Theme: Blue and learning the shapes circle & oval.
October 5th – October 9th Theme: Purple and learning the shapes square & rectangle.
October 12th – October 16th Theme: Pink and learning the shapes triangle & diamond.
October 19th – October 23rd Theme: Brown and learning the shapes star and heart.
October 26th – October 30th Theme: Spooky Week.

Halloween:

Our annual Halloween party will be on Friday October 30th
More information to come soon.

Thank you!

Ms. Tecla, Ms. Sami, Ms. Cathrine & Teacher Sol
