

Room Aa April Newsletter

Can you believe we are in the month of April already? Happy Spring to all!

March Recap:

Art: Each child has traced and colored the letter of the week while also creating a craft based on the letter and theme of the week.

Language Arts: We continue to master our alphabet by finding the letter of the week and pointing it out in our books. We also recite the letter and create the sound that the letter makes. Last month, we learned to recognize, trace, and write the letters Uu, Vv, and Ww. We continue to use white boards to practice writing our names, letters, and numbers. These activities help enhance our writing skills as well as build our fine motor skills. The children are also doing an amazing job every week with their Little Readers in class. We have started learning Spanish during circle time.

Math/Science/Social Science: We continue to work on concepts such as grouping, matching, sorting, measuring, counting, tracing, and writing numbers. Last month we reviewed numbers 1 - 10. In Science, we continued to observe our sea monkeys, learned how veterinarians care for animals, what plants/flowers need to grow, and different types of weather around the world.

This month:

April 1st - April 5th Theme: Weather, Letter: Xx & Number Review: 6 - 10.

April 8th - 12th Theme: Week of the Young Child, Letter: Yy, & Number Review: 11 - 15.
