

May Newsletter Room Aa

Can you believe that our school year is almost over? The children have worked extremely hard to master all skills. We are extremely proud of everything the children have accomplished.

April Recap:

ART: We continue to trace and color the letter of the week and transform it into something awesome, along with our different themes of the week art projects.

LANGUAGE ARTS: We continue to master our alphabet by finding the letter of the week and pointing it out in our books. We also recite the letter and create the sound that the letter makes. Last month, we learned to recognize, trace, and write the letters Yy, & Zz, as well as reviewed Aa - Ll. We continue to use white boards to practice writing our names, letters, and numbers. These activities help enhance our writing skills as well as build our fine motor skills. We continue to learn Spanish during circle time.

MATH/SCIENCE: The children continue to work on number recognition and rote counting of numbers 11-20. They are doing an awesome job! We are learning about plants and will be observing how long it will take our seeds to grow.

May Themes:

May 4th – May 8th Theme: Pokémon, Letter Review: Mm – Pp & Number Review: 16 - 20.
