

May News From Room Cc

Spring is here! We will be spending more time outdoors as the weather is getting nicer! Please make sure to bring in light coats or hoodies if needed and don't forget to label them!

During the month of May our theme will be "All About Me". Our studies will include fingers and hands, legs and feet, nose, eyes, mouth and ears, our family, bath time and meal time. This will complete our final quarter of lessons. We will also be practicing for our end of the year celebration. Please help your child practice their songs at home!

We have many books picked out to read some of them include: From Head to Toe, Body Alphabet-A for Ankle, Eyes, Nose, Fingers, and Toes and Here are My Hands. We will also sing many songs related to our bodies.

As a reminder: Our annual school fundraiser is being held on Friday, June 3rd at the Edison Park Inn. Save the date and make plans for a fun adult evening out!

Thank you,

Ms. Amy, Ms. Karina and Mr. Jesus
