

Room Kk May News 2022

Dear Parents,

We have been doing a fantastic job reading sentences and our sight words during our reading and language arts unit. In the month of May, we will continue to read, write and complete sentences. We will also read short stories and answer questions about those stories. Keep up the good work!

We have also been doing a great job with our Daily 3 math, Daily 5 reading, and language arts groups. We have been able to read quietly to ourselves without interruptions for 15 minutes. Way to go!

During our math unit, we did a wonderful job learning about money. In May, we will learn about time. We will learn how to tell time on the hour and half hour using minute and hour hands.

We had fun learning about animal habitats in science. During the month of May, we will study dinosaurs. We will learn about different kinds of dinosaurs and the food they eat. We will also dig for dinosaur bones and put the bones together to form our own dinosaur.

During social studies, we had fun learning about maps. This month, we will learn about our community. We will learn about important people and places around our community.

We have enjoyed learning different art techniques and doing art projects with Ms. Melissa on Fridays.

Thank you for a wonderful school year! We will be sending home portfolios and diplomas after graduation. If you feel that you would like a parent teacher conference before the end of the school year, please send us a message on Himama and we will be sure to get that scheduled.

A few reminders:

- Please have your child write their names on all assignments.
- We will be closed on Monday, May 30th for Memorial Day.
- Our Graduation show will be held on Tuesday, June 7th at 6:00p.m.

Sincerely,
Ms. Michelle, Ms. Jill and Ms. Melissa
