

## Room Bb's Amazing March News

Our 100<sup>th</sup> Day of School Celebration and Valentine's Day Party was a huge success!

Here is a recap of February:

**Art:** Each child has traced, written, and colored the letter of the week while also creating a craft based on the letter. We have made different fairytale, space crafts, restaurant/Valentine's, and transportation.

**Language Arts:** We continue to master our alphabet by finding the letter of the week and pointing them out in our books. We also recite the letter and create the sound that the letter makes. Last month, we learned to recognize, trace, and write the letters Qq, Rr, Ss, & Tt. We use white boards to practice writing our names, letters, and numbers. These activities help enhance our writing skills as well as building our fine motor skills. The children are also doing an amazing job every week with their Little Readers. We continue to recite our sight words into our daily curriculum.

**Math/Science/Social Science:** We continue to work on concepts such as grouping, matching, sorting, measuring, counting, tracing, and writing numbers. Last month, we learned the numbers 17, 18, 19, and 20, as well as introducing basic addition and subtraction. In Science, we learned the difference between fiction and nonfiction stories, outer space, and the many different types of transportation that people can take. In Social Science, we began learning about Germany, New York, and Illinois.

**This month:** This month, February 27<sup>th</sup> – March 3<sup>rd</sup> Theme: Dr. Suess, Letter: Uu, & Review Numbers: 1 – 5. March 6<sup>th</sup> – March 10<sup>th</sup> Theme: Vet, Letter: Vv, & Review Numbers: 1 – 5 & basic addition. March 13<sup>th</sup> – March 17<sup>th</sup> Theme: St. Patrick, Letter: Ww, & Review Numbers: 6 – 10 & basic addition.
