

## Room Kk January News 2026

Dear Parents,

We hope everyone had a nice holiday season and thank you to all the parents who came to watch our holiday show and decorate cupcakes with us. The children did a fantastic job!

The children have been doing a wonderful job with our phonics unit. They enjoy fun activities that involve learning the letter sounds and letter shapes such as bringing in mystery bags. This month, we will be learning the letters Ee, Hh, Uu, and Bb.

We have also been busy working on subtracting numbers using our fingers to help us as part of our math curriculum. We also learned the numbers 11-13. This month, we will review subtraction using our fingers as well as learn about fact families. We will also learn numbers 14-16 and review numbers 11-15.

The children have been getting very excited about celebrating their 100th day of school. Our special day will be filled with a lot of fun activities and a special lunch. We can't wait!

We enjoyed learning about matter in science. This month, we will learn about natural resources. We will learn how to save water, energy and paper.

We had fun learning about holidays different cultures celebrate when we studied holidays around the world. We had a blast doing projects associated with each country. This month, we will learn about Famous Americans such as Helen Keller, Martin Luther King Jr and Abraham Lincoln. We will study what each person is famous for.

The children have been having fun using different art supplies to create different things with Ms. Melissa. We love seeing all the creative work they have done!

A few reminders:

- Please have your child write his/her name on all homework assignments.
- Our 100th Day Party will be Tuesday, Jan. 27, 2026. There will be more information about our special day soon.
- We will be closed Monday, January 19, 2026 for teacher in-service.
